Adventurers visiting
The starting ceremony for Dr. Turtle' s new book "Most Treasured Longest: Under the Sea"
In the most popular adventure, I have traveled all over the majestic and beautiful waters of the Pacific and Indian Oceans. Many of the small islands I have written about in my book have not even been discovered by humans!

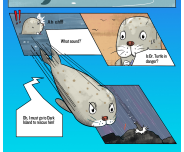
I miss Dr. Turtle!
Sarah, I am here!

Thank you for giving me such a perfect vacation!
Beautiful lady, I want to thank you. Your hair is so delicious, and I have decided to visit you every year in the future!
I heard that only 1/1000 turtles can live to an old head. We must be a formidable adventurer!

Recently, a mysterious "Dark island" has appeared in the ocean, and its area is getting larger and larger, and animals near it are also mysteriously missing.
My purpose for coming here this time is to solve the mystery of Dark Island. The major event has disbanded, he written into my new book!

DR. TURTLE SETS OFF FOR THE
It's weird. Him this story, the doctor's new book would definitely be even better!

I'm not. I'm not afraid...
I'm not. I'm not afraid...



It's cold!
What sound?
Dr. Turtle is always!
Eh, I must go to Dark Island to rescue him!

Turns out Dark Island is made up of marine debris.

Good evening! You must be a pirate! Just stop by once?
No no, I'm just a ...

I see! You must be a fanatic fan who wants my signature! There's no other way, being a rabbit is to my destiny! Give me a pen!
No, no actually I... But how do we get out of here now?
For an experienced adventurer, this situation is certainly a minor island! Leave it to me!
Okay!

1 2 3 ! Preparation...

Turtles and reptiles seals both breathe through their lungs, and struggles in the net [illegible] is all of oxygen.

Someone's coming!
Discovering marine animals trapped. Start taking action!

Done, bring the abandoned fishing nets and rubbish

Oh! Her hat fell off.

Turns out the legendary Dark Island was just a mess fishing net! How could the puzzling issue? I opened the "Treasure Box of the Deep South Sea" and the fishing net was mistakenly discarded in the seawater by magic...
That's amazing! Great hero!
It's clearly not hers!

I will find the owner of the hat and ask them to take away more Dark Island!
